

### **How do I get my results?**

The results are sent from the testing software to the parents/guardians or adult testers at the same time that they are sent to the District Coordinator and the VDH.

### **What do I do if my results are positive?**

The school will do contact tracing following our usual protocols.

See additional information at the Vermont Department of Health website:

### **How long will it take to receive results?**

Except for extenuating circumstances, test results will typically be received within 72 hours from the time of the self-swab test collection.

### **What types of tests are being administered?**

All tests conducted will be individual PCR tests obtained by anterior self-nasal swab.
